Mr. Melvin E. Murphy,
Gordy Park,
Salisbury, Md.

Dear Sir:

Your letter of July 3rd just received. We were just planning to write you and ask for the Park on Friday, July 28th. We will bring either the Phila Stars or Baltimore Elite Giants, I will let you know definitely in a day or two. Please confirm the date as soon as possible.

We would also like to play in Dover, Delaware on Thursday, the 27th. I told you when I contacted the Gentleman in charge before he apparently did not want the Teams probably due to the fact that he had had no previous dealings with us. I would appreciate it very much if you would assist me in getting it for Thursday, the 27th. I am sure if you speak to him or drop him a line and explain just what our program is, we would have the best chance to get his co-operation. Will greatly appreciate your doing this for me.

Yours very truly,
